## STEP 2: SELECT MECHANISM

### COMFORT SLEEPER®

Premium from day-to-night, our Comfort Sleeper® experience utilizes our patented, three-panel platform bed that easily expands from the frame. Available in three mattress options, the comfort experience is customized to your every need.

*If selected, please complete steps 6-8*

### SILVER SLEEPER®

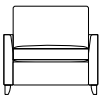

Featuring an expanding mattress and a fall-away back, the Silver Sleeper® easily transforms from a high-style sofa into a space-saving bed perfect for multi-function spaces. Available with a core foam or cooling-gel mattress.

### TODAY SLEEPER®

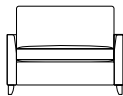

A flexible, two-panel mechanism that makes converting your sofa a breeze. The mechanism expands the seat and utilizes a fall-away back to turn into a best-in-market mattress produced in our signature core foam.

**STEP 8: SELECT CUSHION FILL**

**FOAM**

Our custom layering of foams is meticulously designed to create a best-in-class seating experience— layers of support are assembled to provide that perfect balance of support and sink-into in every cushion.

**DOWN**

For a more plush seating experience, our down-encased foam is designed to capitalize on the innate comfort of natural down, while providing support to reduce upkeep and increase the lifespan of your cushions.

**TRILLIUM**

Our foam core is encased in a synthetic down-alternative for those who love the seating experience of a traditional cushion, but look for hypoallergenic or longer-lasting alternatives.
